

MAKE CRYPTO SIMPLE,
ACCESSIBLE, AND EDUCATIONAL”

1

Problem 1

**Too Much Noise, Not
Enough Clarity**

*Beginners are overwhelmed by
conflicting advice, scams, and
hype content online.*

2

Problem 2

**Lack of Structured
Education**

*Most investors jump into crypto
without a real plan, method, or
understanding of the risks.*

3

Problem 3

**No Real Support or
Community**

*Many feel isolated and unsupported
in their crypto journey, with no one to
ask or learn from.*

1

Solution 1

Simple & Clear Education

ROUL provides step-by-step training and practical tools to help investors build real knowledge.

2

Solution 2

A Token With Real Use

ROUL is not just speculative—it unlocks access to exclusive courses, coaching, and real-world use cases.

3

Solution 3

A Supportive Community

Investors get access to a private Telegram group, weekly sessions, and a community of like-minded people.

STEP 3

Q4 – Growth & Expansion

End of 2025 – Scale

Tokenomics

ROUL tokenomics are clear, transparent, and built for long-term trust. Smart allocation ensures responsible growth, strong liquidity, and investor confidence.

Target Market

ROUL COIN

Target Market 1

Passive Income Seekers (30–45 y/o). Individuals with savings looking to diversify their portfolio through staking and long-term gains.

☞ They want transparency, clear strategies, and minimal risk.

Target Market 2

Aspiring Crypto Investors (20–35 y/o). Young professionals or students curious about crypto but overwhelmed by complexity.

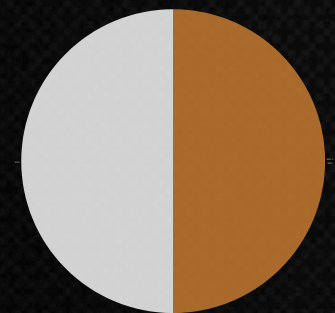

☞ They seek structured learning, affordable entry, and community support.

Size the Market

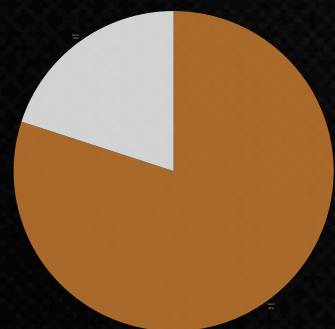

+420 million

crypto users worldwide
Global market for crypto education, tools, and investment
platforms exceeds \$20B+

50 Million

French-speaking crypto-curious users in Europe & Africa
Focused on education, DeFi access, and financial
independence

1.5 Million

 Initial goal: capture 10,000 active users in Y1
Equivalent to €1M+ in potential TVL and platform
engagement (SOM)

Competitive Advantages

Ultra-Low Entry Price

Only €0.01 per ROUL during presale – ideal for early investors.

Real Utility in the Ecosystem

ROUL is more than a token – it powers access to training, tools, and community rewards.

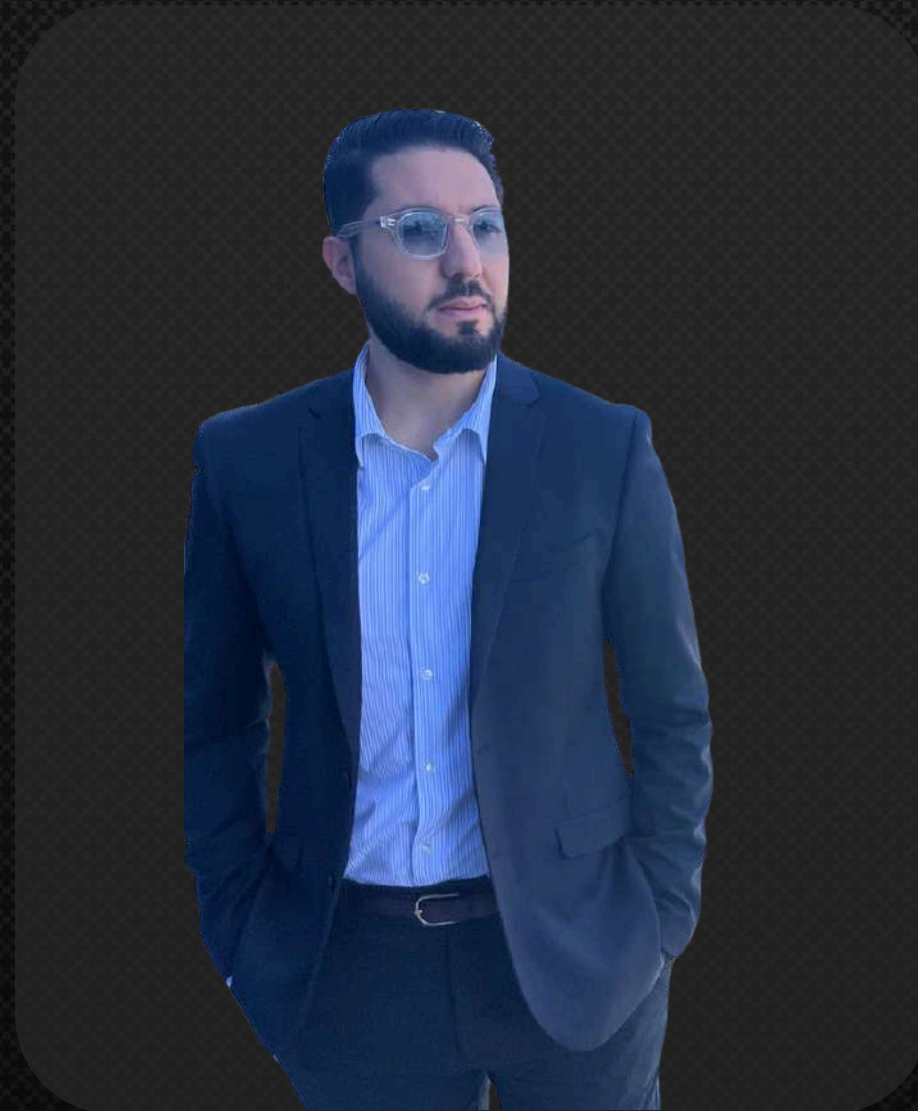

Eco-Responsible & Balanced Tokenomics

A fair, stable distribution that protects price and ensures long-term sustainability.

Year Growth Vision

A long-term roadmap with international expansion and ongoing development through 2030.
